WHY ORIGINAL S.W.A.T.?

"Having just finished a review of Tactical Footwear for Police Magazine, I had missed this new boot, Original S.W.A.T.®. After wearing the boots in various activities, I can state that they are more comfortable and more supportive boot than the "en vogue" tactical boot from Germany. For the price of one pair of the other boots, I can purchase three pairs of Original S.W.A.T.® and have a boot that allows the feet to not feel like they have been in a war at the end of a long day."

Scott Smith
WO1, US Army, Ret.
Pittsburgh, PA

"After 18 years in law enforcement and many pairs of boots and shoes, Original S.W.A.T.® is without a doubt the most comfortable boot I have ever had on my feet. At the end of the day you have as much comfort as you did at the beginning. You have made a true believer out of me and as far as I am concerned they will be my shoe of choice from now on."
